

## *Higher education in challenging times: questioning the unquestioned.*

A lecture series co-sponsored by the Higher Education Research Centre at DCU, the Dublin Region Higher Education Alliance (DRHEA) and the Higher Education Authority

## Changing demographics of higher education: policy implications for research, teaching and learning

*Professor Tom Schuller*  
*Longview, UK*

Gallery Room, The Helix, DCU  
Monday, 5 December 2011  
12.00 to 14.00 (tea and coffee from 11.30)

**Welcome** Professor Brian MacCraith, President Dublin City University

**Speaker** Professor Tom Schuller is currently Director of Longview, a UK 'think-tank' promoting the value of longitudinal and lifecourse research. He was previously Head of the OECD's Centre for Educational Research and Innovation (CERI) at OECD, Paris

**Panel discussion** chaired by Professor Maria Slowey, Director of Higher Education Research and Development, DCU, with participants and expert panellists including Professor Brendan Whelan, Research Advisor, the Irish Longitudinal Study on Ageing (TILDA) and previous Research Professor, Economic and Social Research Institute (ESRI)

There is no fee for attendance, but booking is required as places are limited to facilitate discussion. A light lunch will be provided.

To register please visit the seminar series page on our website.
